What is LET 2.0 ?

Lucky Earning Track (LET 2.0) is a structured learning and participation ecosystem designed for creators, mentors, instructors, freelancers and skill-based individuals.

The platform supports learning, visibility, contribution, collaboration and future-ready digital growth experiences.

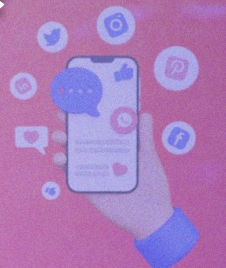

Karnataka's Regional-First Digital Ecosystem

Built to make learning and participation more accessible through language familiarity and broader reach.

Available and expanding across:
Kannada • English • Hindi • Telugu • Tamil and additional languages over time.

First focus remains Karnataka and Kannada audiences while welcoming participation from all regions.

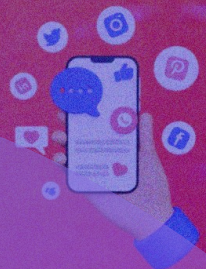

Only For Official Purpose
luckyearningtrack.com

Lucky Earning Track is designed for individuals who want to learn, contribute and build meaningful digital presence through structured participation.

This ecosystem is not built around shortcuts or instant outcomes. It supports people who want to develop capabilities, strengthen visibility, collaborate with others and grow through long-term effort.

Built from Karnataka with a future-ready approach and open participation.

5
